

Vintage Tractor Display and Demonstrations at 2012 Bunyip Show

(Provided by the Korumburra Working Horse & Tractor Rally)

Come to Bunyip Show in 2012 and see the vintage and older tractors in action. (When air conditioning was the wind blowing in your face, and climate control was a hat and a raincoat!!)

Club members also have an annual rally in March, to be held at Nyora, where all facets of farm machinery and working horses are displayed over a weekend. For further information, please contact the club secretary on 0356574216

Line up of tractors at Bunyip Show in 2011
